

Alan is standing for membership of the Executive Committee. This is a brief overview.

Alan began his political campaigning for the SDP in the late 70s and early 80s. He then moved to the LibDems. He stood for election in the Arbury Ward in North Hertfordshire in 2003, and was one of the candidates with David Hall and Russell Theron in MidTest at the recent Council elections.

He is passionate about the environment and believes in support for small business, family farms and the NHS. He also thinks that Techbro billionaires and major corporates can do a lot more to help society by paying a reasonable level of tax.

I see the Exec as a means to develop LibDem membership and awareness in this winnable seat. One team demonstrating the best values of our party.

I would be very grateful for your support.

Thanks and warm regards,
Alan Marshall
