

Anna Crabtree

A record of success...
...a promise of more!

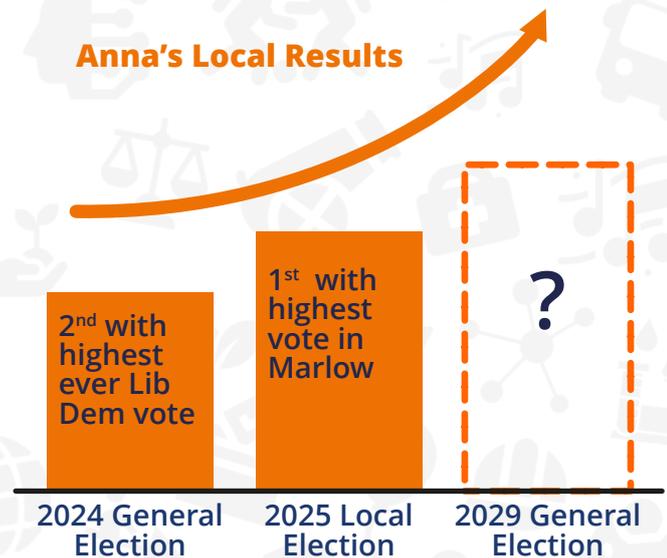

Your local candidate

- ◆ Anna has lived in the constituency with her family for the last decade.
- ◆ She has been a governor of the primary school her children attended and served as chair of the resource committee of a local university.
- ◆ She is a serving Parish and Buckinghamshire councillor in addition to being involved in numerous local campaign and action groups.
- ◆ Anna knows how important the River Thames and the Chilterns are to our area and believes we must protect our environment for future generations.

Record of success

- ◆ Anna achieved the highest ever result for the Liberal Democrats in the Beaconsfield constituency at the last General Election and reduced the Conservative majority to their smallest yet.
- ◆ She then built on that result and her local reputation to win a Buckinghamshire council seat in 2025 with the highest vote share in the Marlow ward.
- ◆ Anna produced these results with hard work and regular campaigning. She has spoken to more voters in the Beaconsfield constituency than any other Lib Dem campaigner over the last 4 years.

Anna's Local Results

Fighting for her community

- ◆ Speaking up for residents to ensure infrastructure requirements and local impact are fully considered in development projects.
- ◆ Representing Buckinghamshire at the National Emergency Briefing on Climate and Nature and working to make sure environmental targets aren't ignored in Buckinghamshire.
- ◆ Pushing for travel network improvements, better active travel facilities and connected services to improve access for all, reduce congestion and improve local air quality.
- ◆ Holding the Conservative Council to account for service cuts, poor budgeting and failure to deliver against required national standards.
