## A Champion for The Villages and One Team

Dear Fellow Members

2026 will be a critical year for Liberal Democrats throughout Hampshire. I would very much welcome your support to continue to serve you and our community on the Test Valley Local Party Executive.

My family and I have lived near Stockbridge for 18 years and I first joined the Exec in 2020, determined to play my part in delivering a fair deal for the rural communities between Andover and Romsey. In areas long regarded as Tory heartlands, we have mobilised support and grown our membership. In the 2023 TVBC elections, we slashed Tory majorities and came within a couple of hundred votes of electing FOUR Lib Dems to represent Mid-Test and Harewood – which would have given us control of the council. Close, but not close enough. We now need to go one step further:

- Building up our membership, our volunteers and our funds
- Electing more LibDem councillors onto Hampshire County Council
- Ensuring Martin Tod becomes the first Mayor of Hampshire & Solent
- Putting a Liberal Democrat in Westminster for Romsey & Southampton North

I served as Chair of the Local Party between 2021 and 2023 when we developed the strategy of One Team. As Elections Officer I continued to push for clear priorities, working together to deliver on the things which really matter to our communities.

The job is not yet done. I humbly ask for your support and your vote. Please elect me to the Executive for another year and I promise to do my best to deliver a year we can celebrate and all be proud of. Let's make things happen!
