

MAYOR
2026

A Note From Ben:

"In the final week of this selection, I want to say thank you to everyone who has engaged in this campaign. Your passion and belief in our Liberal Democrat values inspires me every day. This selection isn't just about choosing a candidate, it's about proving we can win, take on both the Conservatives and Reform, and deliver real change for our region. I've spent my life campaigning and building organisations that empower people. Now I'm ready to put those skills into action as Mayor. Please give me your first preference vote. Together, we can make change happen."
