

BEN DOWLING

FOR MAYOR OF HAMPSHIRE AND THE SOLENT

Dear Members,

I care deeply about where I'm from and the people of this beautiful part of the world that we all get to call home. Our region deserves better than more of the same, more years of under investment, more years of being taken for granted. This new role is a rare chance to shape how our communities grow and thrive. I want to make it count.

We need a candidate who can win, and a Mayor who brings purpose, energy, and ideas. That's what I offer.

I'm a Liberal Democrat because **I believe in people**. I want to help every community in our region succeed. I'll be a Mayor who makes change happen.

We don't need a figurehead. We need someone who gets things done.

- I'll fight for transport that properly connects our cities, towns and villages
- I'll deliver growth that brings real jobs, homes and investment
- I'll stand up for greener, safer, stronger communities

Let's win. Let's make a difference.

This campaign is about more than putting up a good fight. It's about **winning** and showing that the Liberal Democrats are ready to lead, ready to govern, ready to make change happen.

I'll bring energy, clarity, and a track record of getting things done. Together, we can build something real.

Thanks for everything you do and I'd love to have your support. Please do give me your first preference vote.

All the best,

Ben Dowling
