

# THOMAS GRAVATT

## FOR SOUTH CENTRAL REPRESENTATIVE TO ENGLISH COUNCIL

### THREE REASONS TO BACK THOMAS

#### 1 An experienced campaigner with a record of winning

Thomas has a track record of beating Labour and the Tories. He has elected hundreds of councillors in Somerset and Southampton, and was elected in Swaythling last May after gaining the seat off Labour from 3<sup>rd</sup> place. Thomas is the PPC for Romsey and Southampton North. Thomas will always push for decisions that make it easier for the Lib Dems to win elections.

#### 2 A record of standing up for young people in the party

Thomas previously served as the Chair of Young Liberals, the Youth and Student wing of the Liberal Democrats. While he was in this role Thomas advocated for young people both within the Liberal Democrats and externally. Thomas is a strong advocate for young people within the party and will work to get more young people elected.

#### 3 A record of working for the party locally, regionally and nationally

Thomas is a Southampton City Councillor and Southampton's Elections Officer. While he was Chair of Young Liberals, Thomas sat on the party's Federal Board. He has also previously been a paid organiser in Somerset and a member of the South Central Liberal Democrats' Regional Executive. Thomas has supported the party with its decision making - locally, regionally and nationally.
