Why I'm Standing

With Reform on the rise, Labour struggling to deliver, and the Conservatives in freefall, the Liberal Democrats have never been more needed - and the stakes have never been higher.

Across South Central Region we have secured record-breaking wins - but to meet the challenge we need to do even better next time - at council, parliamentary, and mayoral level.

To do this, we need to get our systems working to support our

hard-working local campaigners at every level.

I am one of our party's top campaigners. I am a former target seat candidate, current Oxfordshire County Councillor, and am regularly invited to HQ's 'top canvasser' calls. In my professional life I manage large budgets and teams in the charity sector, and I'm used to bringing people together to achieve complex goals.

On English Council, I will work with others to get our systems fighting fit - ready to help you win
