

Neil Fawcett *for* English Council

Neil Fawcett is one of the party's leading campaigners. He's helped elect HUNDREDS of Lib Dems, including councillors at every level, Mayors, MPs and MEPs.

He coordinated the campaigns that delivered four gains in Oxfordshire in the General Election and gain control of the County Council in May this year.

Neil is a widely respected party trainer and has worked as the party's Youth & Student Officer, for the Campaigns Department, ALDC and several MPs and MEPs.

He is currently Chief of Staff to Layla Moran MP, Deputy Leader of Oxfordshire County Council, a Cabinet Member on the Vale of White Horse District Council and on Abingdon Town Council too.

Neil's priorities:

● Focus on WINNING

Neil will push for the English Party to concentrate on helping us win at every level and not get bogged down in procedures and bureaucracy. He has a proven track record of pulling people together to focus on electoral success, often despite the party's structures.

● Increase SUPPORT

The English Party is well placed to support local parties, officers and activists and share good practice, complementing other parts of the party organisation. Neil will encourage this to be treated as a priority.
