Hi. Can you help me with a manifesto?

Sure. Experience?

Organiser for top-performing Wokingham at the GE. English Council, Regional Executive and Local Party Secretary this year. Staffing one of our fabulous new MPs.

Amazing! What about priorities?

Keep us focused on WINNING elections. Supporting local parties at EVERY stage of development. LIVING our progressive values, including on LGBT+ rights.

Love it!

Oh, and it needs to say "Vote Paul Sayers #1 for English Council!" at the bottom.
